## Class History

On September 8, 1947, twenty-three sets of parents anxiously sent their ill-assorted youngsters off for Wren Village School. We were greeted by Mrs. Schaadt, our teacher for the first year.

The following fall Mrs. Germann ushered us into the room across the hall. Losing six and gaining four, we numbered twenty-one.

After losing two and adding five, our third year found Mrs. Moser teaching twenty-four little "angels."

Our fourth year, Mrs. Monroe taught a record breaking twenty-nine students; we had gained five and lost none.

The school years of 1952 and 1953, we were under the able supervision of Mr. Kisar. Losing seven and gaining one, we suffered a reduction to twenty-three pupils in the fifth grade. Bob Brittsan and Ardith Yoh were our gain in the sixth grade, giving us twenty-five classmates.

Somewhat fearful and slightly disgusted at the stairs, we advanced to the seventh grade and our seats in the study hall with Mr. Kreischer as our sponsor. We had an increase of one, losing one and gaining two.

Our eighth year, the year of the state test, we lost three and gained one. Several of our twenty-four scholars ranked among the ten high in the county. Under the direction of Miss Meeker, our sponsor, we gave a play entitled "Tom Sawyer."

Gaining one and losing two, all twenty-four of us were finally able, this year, to take our place among the high school students. Somewhat to our surprise, we lived through initiation and a party that very night with the aid of our sponsor, Mrs. Schaffner.

Mighty Sophomores, we still were twenty-four strong, gaining and losing two. Our names are on the record as the last class attempting initiation. Mr. Drennan served us well as a sponsor.

Happily, we, under the guidance of Mr. Flack, took our stations as upperclassmen. Our Junior year was probably the most fun of all. The fun came in two general lumps--Our class play "Two Dates For Tonight," most aptly directed by Mr. Wise, and our prom "Fairyland Romance."

Jubilantly, we entered our last year at dear old Wren High School, looking forward to what it held in store. Mr. Amers and Mr. Kreischer were the sponsors of twenty-three, losing Julia Brown and having no gain. We set a new record in magazine sales, nearly outdid ourselves on money making schemes, and, of course, planned for our long awaited class trip. Linda Royer, Peony Queen candidate, is one of the wonderful class of 1959.

## Senior Class Will

We, the Senior Class of nineteen hundred and fifty-nine, have drawn up a will leaving our few earthly possessions to our friends.

To the Junior Class we will our ability to make money and our row of seats next to the windows.

To the Sophomore Class we will our ability to get along with our classmates and to get our own assignments.

To the Freshman Class we will our ability to work hard during our last four years, and the co-operation we have had with all.

To all of the classes we will the fun and friendship we have enjoyed.

To the teachers we give our thanks for their fine teaching and great amount of patience.

I, Jerry "Ike" Custer, will my Republican politics to Jim Gehres and my ability to work hard in shop to John Tumbleson.

I, Charlotte "CharLOTTE" Gehres, will my ability to talk in class to my cousin Jim and my ability to miss band to Anne Bowen.

I, Marvin "Marv" Schaadt, will my ability to skip Physical Education to Judy Myers and my ability to get along with the superintendent to Larry Wise.

I, Max "Cannonball" Priddy will my ability in shop to anyone who can do it better than I can and my skill in playing the harmonica to Leland Miller.

I, Bob "Zeb" Nofer, will my ability to sleep in the study hall to Allen Etzler and my ability to get good grades in history to Wayne Baker.

I, Linda Royer, will my cheering suit to Gerald Germann and my typing ability to Wayne Baker.

I, Ardith Yoh, will my liking of girls' Physical Education to Richard Germann, and my ability to eat slowly to Dick Bowen.

I, Carol Myers, will my interest in Elvis Presley and Ricky Nelson to Carmen Black and my ambition to be a successful "Indy" driver to John Tumbleson.

I, Bob "Bobby Allen" Brittsan, will my class ring to Carolyn Germann.

I, Anne "Annie" Moser, will the privacy of our living room to Dick Bowen and my trombone to anyone who is windy enough to play it.

I, Donald "Hawk" Williams, being of sound mind, will my ability to loaf in study hall to Anne Bowen and my seat next to the radiator to Verne McLean.

I, Katherine "Katie" Hirschy, will my ability to get out of Physical Education to Nancy Ann and my ability to get to study hall on time to Carmen Rose.

I, Elaine Springer, will my singing ability to Carolyn Germann and my naturally curly hair to Gerald Germann.

I, Don "Slim" Hey, will my basketball suit to Leland Miller and my seat next to the window, behind the post, to Dianne Meyer.

I, Judy Turner, will my quietness to Jim Gehres and my height to Judy Darr.

I, Larry Rayer, will my ability to get along with Mr. Kreischer to Don Hurless and my ability to drive old cars to Allen Etzler.

I, Betty "Betsy" Brown, will my crazy dancing ability to everyone who needs it and my hep sayings to a square.

I, Larry Holden, will my basketball uniform to Larry Wise and my ability to get along with Mrs. Sheets to Dick Bowen.

I, Jim Brittsan, will Locker 11 and my seat near the window to Judy Darr and my ability to get along with the teachers to any of the Juniors who may need it.

I, Jo Ann Lichtensteiger, will my ability to ruin clothes in Chemistry to Kenny Germann and my height to Mr. Wise because of the apparent need.

I, Dallas Agler, being of sound mind, will my broken down seat to Verne McLean and my ability to skip Physical Education to Nancy Smith.

I, Ron Shively, will my ability to go down town at noon without an excuse to Don Hurless and my great typing ability to Richard Germann.

I, Leslie Stewart, will my dirty, white bucks, my seat in the study hall, and Locker 5 to Kenny Germann and my ability to stay out of trouble and get along with the teachers to Judy Myers.

## Class Prophecy of 1959

Whew! It's finally over. But I wouldn't have missed it for the world! As I sit here reminiscing about our class reunion, I realize that the class of '59 has made great strides in only ten years.

Why, just several weeks ago several of our ex-classmates made the headlines in an outstanding manner. The United States finally sent a rocket to the moon. BOB BRITTSAN was the chief engineer of this man rocket. And believe it or not the first passenger was our own MARVIN SCHAADT.

As I sat in the old gymnasium this evening, I glanced at the rest of my ex-classmates, all seemingly absorbed in the speech. My gaze first rested on BETTY BROWN. Betty is now a famous hair stylist at a big beauty salon in New York City. Sitting beside Betty was KATHERINE HIRSCHY. Katherine was married shortly after graduation and now has a lovely family. Across the room were LARRY HOLDEN and LESLIE STEWART. Larry is the coach of the World Champion Harlem Globetrotters. And Leslie (believe it or not) is his star player. Leslie surprised everyone by reaching a height of 6' 6"!

Next to them were LINDA ROYER, CHARLOTTE GEHRES, and ANNE MOSER. Linda is now the private secretary for a big corporation president. Charlotte is the home economics agent for Van Wert County and has just received a state award for her outstanding work. Anne has just returned from France where she is working for the United States government.

My eyes next rested on DON WILLIAMS. Don is now the co-partner of a large barber shop in Chicago. And who is his partner? You guessed it! DON HEY. Unfortunately Don couldn't make it for the banquet, but someone had to keep the business going.

Beside Don were JO ANN LICHTENSTEIGER and ARDITH YOH. The girls were chattering like magpies, but of course they have a lot in common. Jo Ann is now the head nurse at University Hospital in Columbus, and Ardith has been receiving awards for her outstanding nursing ability.

I wondered what CAROL MYERS was thinking as she looked around. Since she is now a famous artist, she was probably thinking of ways to brighten up the auditorium a little.

I saw LARRY ROYER fidgeting in his seat. He was probably anxious to get back to his 1000 acre ranch in Texas. Oh, that reminds me. I wonder why DALLAS AGLER wasn't there. Maybe he was having trouble with some of his ultra-modern equipment on his huge farm.

Beside Larry were JERRY CUSTER and BOB NOFER. Jerry is now in the poultry business on a large scale. He furnishes chickens to all the restaurants in northwestern Ohio. Bob is the president of a large company that manufactures farm machinery.

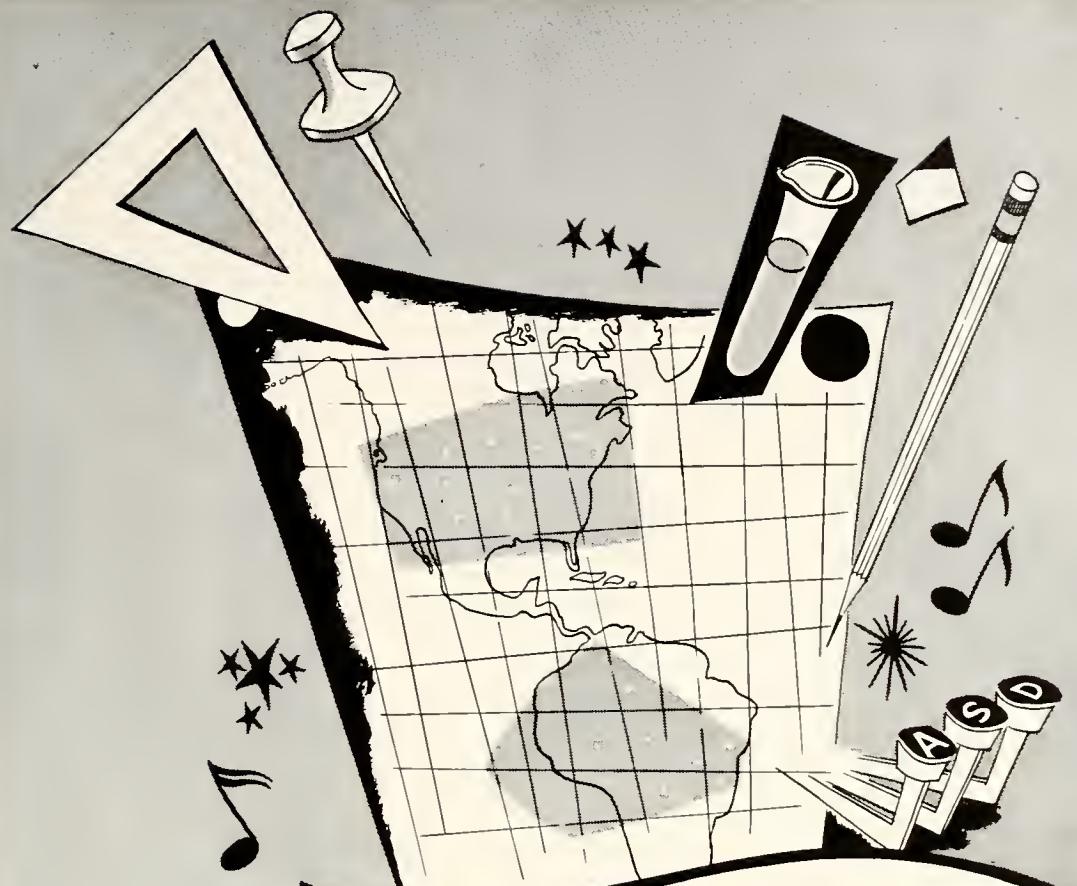

I saw JUDY TURNER absent-mindedly scribbling on her napkin. Perhaps she was taking notes on the speech. This is right in her line since she is now a stenographer for Bob's company.

Next to Judy was ELAINE SPRINGER. Elaine wasn't certain she would be able to take time off from her busy schedule to attend the banquet. She is currently singing at the Metropolitan Opera in New York.

Across from Elaine were MAX PRIDDY and JIM BRITTSAN. Max is now a famous cabinet maker and he has built cabinets for many famous people, including the President of the United States. Jim, after attending West Point, entered the army and is now a general.

Let's see now. Have I forgotten anyone? Oh, how could I have forgotten RON SHIVLEY. Ron has astounded the scientific world by doing the impossible--inventing a perpetual motion machine. If I remember correctly, he was working on it when we were in high school.

Well, I guess that is everyone. I think old "Wren High" should be proud of the class of '59.

## Junior Class History

We made it!! We're finally upperclassmen. There have been rough times, but we've had just loads of fun. Allen Etzler is this year's President, Jim Gehres is Vice-President, Nancy Smith is our Secretary-Treasurer. Our Junior Class Play "Shoot the Works" was presented October 25. We had a lot of fun preparing it. We sold jello, had bake sales, and served at ball games. We were glad to welcome our class rings this year. We are very proud of them. The main event for us this year is the Prom. All in all, we are glad that we are finally Juniors.
